

Our Learning Solutions support workplaces to mature their culture and build on existing workplace practices - by working together we can create an impact that matters.

SAFETY PLANNING

1.5 HOUR

Facilitated with two expert facilitators and is designed for Managers, Leaders, HR staff who are responsible for completing safety plans for staff affected by Domestic & Family Violence (DFV). Workplace Safety Plans are utilised along with activities to understand and complete relevant risk assessments for staff safety.

CREATING CHANGE

3 HOUR

Active bystander training supports participants to take action when confronted with harassment.

An active bystander is someone who takes action after witnessing or hearing about an incident that is harassing, violent, abusive or discriminatory.

RESPECTFUL RELATIONSHIPS

3 HOUR

Designed for workplaces seeking to mature their capability in identifying how our community, workplaces and society contribute to DFV.

This training takes participants through the role they play to support gender equality whilst developing an awareness of their own unconscious biases.

WORKPLACE RESILIENCE

Unpack the impact that DFV can have upon our workplace and the line between burnout, compassion fatigue, vicarious trauma and PTSD.

Importantly, this session is for teams wanting to increase their workplace resilience and encourage wellbeing.

ABOUT US

Australia's CEO Challenge is a not for profit social enterprise specialising in workplace DFV maturity.

With services spanning tailored maturity pathways, education and awareness, connection to community, tools, resources, we are an end-to-end workplace partner dedicated to helping your workplace create an impact that matters.

Our facilitators provide a learning environment that is safe, respectful and encourages open discussion whilst using evidence based practice and scenario based activities. Scenarios can be tailored to specific workplaces and settings.
